Your child's NHS Number: 1234567890

## **Joe Bloggs next COVID-19 vaccination**

Dear Parent or Guardian of Joe Bloggs

I'm writing to remind you that your child can get their COVID-19 vaccination this spring. This is because their NHS record suggests they may have a **weakened immune system** due to a health condition or medical treatment.

It's important your child gets this further vaccination as soon as possible, as protection fades over time. Their protection may reduce more quickly than other people's does. This vaccination will lower their risk of hospital admission and help them to recover more quickly if they catch COVID-19 during the spring or summer.

The final day to get a spring vaccination is **30 June 2023**. Arrange your child's vaccination as soon as possible if you don't already have an appointment booked.

### **To book online:**

- Visit [www.nhs.uk/get-vaccination](https://www.nhs.uk/get-vaccination) or scan the QR code at the top of this invitation.

### **To find a walk-in site:**

Your child can also go to a **walk-in vaccination site** without an appointment. Check before you go at [www.nhs.uk/vaccine-walk-in](https://www.nhs.uk/vaccine-walk-in).

## **On the phone:**

- If you can't get online, phone **119** free of charge to book an appointment or find a walk-in site. Someone else can phone for you. If you need an interpreter, please let us know when you call.
- You can use text phone **18001 119** or the NHS British Sign Language interpreter service at [\*\*signvideo.co.uk/nhs119\*\*](https://signvideo.co.uk/nhs119).

## **At your child's appointment**

Please bring this invitation, an NHS letter describing your child's condition or treatment, or a repeat prescription or medicine box with their name and a recent date. You'll need to speak to someone before your child's vaccination to check that they're eligible.

## **For more information**

Please read the enclosed leaflet before your child's vaccination. The leaflet is available in other languages and formats at [\*\*https://qrco.de/NHSpb\*\*](https://qrco.de/NHSpb). Further information on the vaccine is also available at [\*\*www.nhs.uk/covidvaccination\*\*](https://www.nhs.uk/covidvaccination).

Yours faithfully,

**Dr Nikita Kanani MBE**  
GP and Deputy Lead, NHS COVID-19 Vaccination Programme  
NHS England
